COUNSELING

This year at Walla Walla High School, five counselors and three administrators have been assigned either full or part-time counseling duties. Each student is assigned a personal counselor. The counselor's role is to help the students solve their educational, vocational, and personal problems. It is Wa-Hi's policy to have each counselor keep the same group of students throughout their high school years. The counseling department is to help students interpret and understand themselves, to know their abilities and limitations, to realistically take a look at themselves, so as to solve their immediate problems, as well as making logical decisions regarding the future. The department is one part of the total high school staff that operates on a basis of helping turn out graduates who are ready to take their place in an adult society as self-sufficient members and able to give direction to their own lives.

WA-HI CURRICULUM

The curricular offerings at Walla Walla High School are many and varied. Students are given the opportunity to develop skills, which can either lead to employment directly after high school or a continuation of their study in a post-high school educational institution. In other words when a student graduates from Wa-Hi he should be able to go to work or have the skills necessary to continue his education beyond high school. The Wa-Hi graduate should know the meaning of and have skills in decision making, problem solving, interpersonal relationship, communications, physical and mental health and the basic academic areas.

REGISTRATION

Students are helped by parents, teachers, and counselors in planning their educational program for Wa-Hi and beyond. This process begins in the junior high school. Students are helped to plan and build a schedule according to their needs, interests, and abilities. Wa-Hi students are given the opportunity to sign up for subjects, periods, and teachers of their choice. This process, called arena registration, is very popular with most students and takes place on the first day of each semester. Arena registration gives the student an opportunity to take a more active responsible role in planning his educational program.

SCIENCE AND MATHEMATICS

The Science and Mathematics department merged in 1972. Since that time an average of about 35% of the student body have enrolled in science classes. Some students have taken these classes to satisfy graduation requirements, but many of them have pursued special interests in mathematics and/or science. All courses serve as terminal courses for the high school students but many of the courses can provide the students with background for further work at college or vocational schools.

We have offerings in mathematics which include: Algebra 1 & 2, Geometry, Trigonometry, Algebra 3 & 4, Analytical Geometry, Calculus, and Shop Mathematics.

Science courses include: Biology, Physics, Chemistry, Earth Science, Aeronaughtics, and Introductory Science. All of the courses are open to Sophomores, Juniors, and Seniors who have the proper preparation and /or the permission of the instructor.

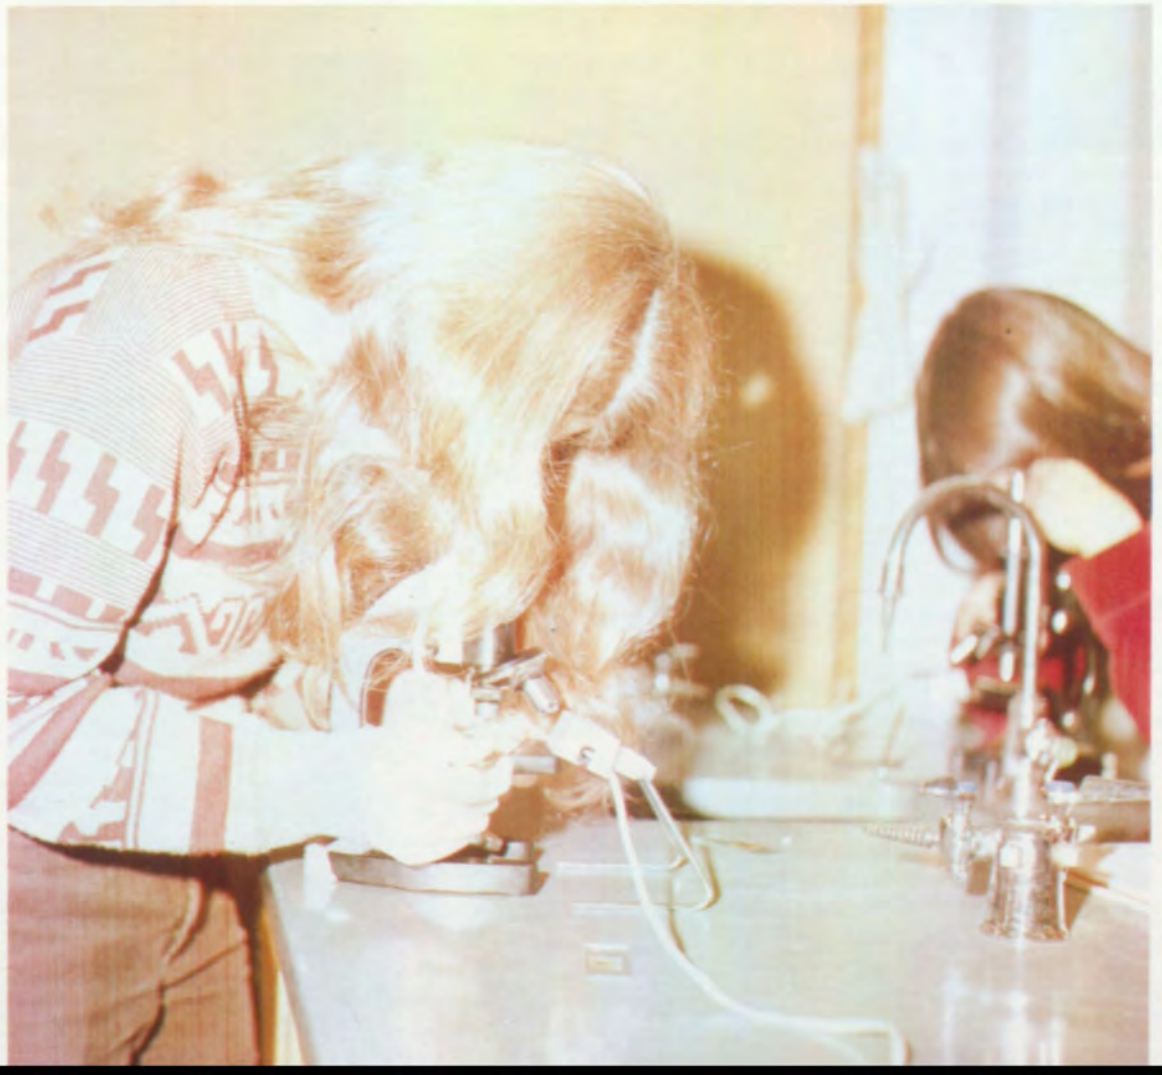

It is possible for a student to complete five years of mathematics by the end of his or her senior year at WaHi. While we encourage a broad background in science, it is possible for a student to take two years of biological and/or physical science.

The developmental mathematics courses and introductory science courses are intended for those students who have not had a great deal of success in science and mathematics prior to high school. Some of the students in these courses achieve enough success to encourage them to take other courses in mathematics and science before graduation.

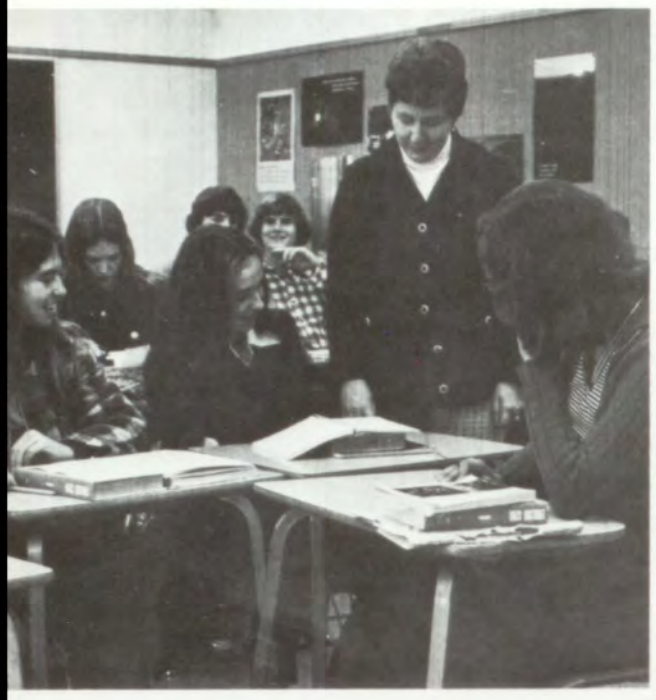

A special interest class is Computer Programming. WaHi has two teletypes. One is hooked up with the computer at Walla Walla College. The students learn to write their own programs and run them through the computer. Students in other classes, who have had computer programming are allowed to use the equipment for special projects.

ENGLISH

The English program at Wa-Hi is designed to meet the needs of every student relative to his needs and ability. Skills and background are offered in four major areas: Composition, Reading, Literature and Special Interest courses. All Sophomores, Juniors and Seniors may register for any course in any area depending on their interest and ability.

Composition courses include Basic Grammar, Grammar and Composition, Creative Writing and Vocab and Comp. The students may choose to register for Basic Reading, Intermediate Reading or Advanced Reading. Literature selections range from Basic Lit to American, World or English Literature and Greek Mythology. Special Interest Courses include Speech, Drama, Communications and Journalism.

SERVICE COURSES

There are two programs available for Wa-Hi students who are interested in earning credit as student assistants. One program at the Sequin, Paine, elementary, and junior high schools is coordinated by Doris Smith, Wa-Hi Counselor.

Objectives of the program are to train for responsibility on a "job"; to develop an awareness of the job area; to provide assistance to the professional staff; and to assist the student in developing skills necessary to function in a "helping relationship".

Final selection of students for this program is made by the building principal and/or supervisor. Many students have been required to participate in a personal interview. The program is open to all students with a bonafied interest.

Students in Ed I are primarily assigned to various elementary and secondary teachers as student assistants. In addition to working as assistants, Ed I students are also expected to act as students during the sessions of the Whitman Micro-teaching clinic and may be given an opportunity to work as supervisors at Camp Wooten. Each class also meets once a month in the classroom for seminar sessions on various educational topics and issues of the day.

TRAFFIC SAFETY EDUCATION

The TSE Department at Walla Walla High School has to accept a broad responsibility for persons to walk near, ride in and operate vehicles. How well participants actually use the highway transportation system becomes a concern of this department.

The Traffic Safety Education program began at Wa-Hi in 1946 with 47 students. The program now provides instruction for over 600 students yearly. The TSE program consists of three phases of instruction: classroom, simulation and in-car instruction taught by a certified staff of three full-time instructors. The program is offered to all high school age people in the community. Nearly 100% of the eligible high school students take the course because of the need to have a motor vehicle operator's license in this agricultural and recreational community.

BUSINESS EDUCATION

Business skills provide the best prospect for part- or full-time employment. Most jobs do not require a college education but DO require a skill. Business education teaches a variety of skills for a variety of jobs.
Learn to earn. Typing, Shorthand. Stenoscript, Recordkeeping, Accounting, Office Machines, Office Practice, Business Law, Business, Business Communications, Office Simulation and Co-operative Office Education.

HOME & FAMILY

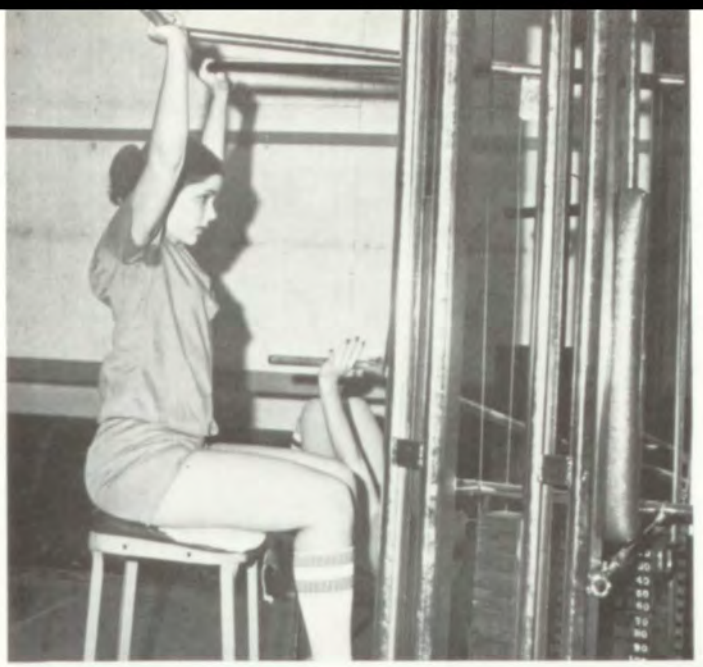

The Home and Family Life curriculum involves six major areas—personal and family relationships, consumer buying, foods, clothing, housing and child development. These classes are coed to suit today's changing roles of men and women. They are relevant to our present society and life styles. Individual interests and various career opportunities are encouraged to be explored.

Two programs closely allied with this department are FHA, to develop leadership, and FEAST, to further the skills needed in the food service industry.

PHYSICAL EDUCATION

The emphasis in this department is on physical fitness. The program includes instruction and participation in many individual and team sports, fitness and conditioning, body-building exercises and group games as well as some lifetime sports, work and fun, for boys and girls.

VOCATIONAL AGRICULTURE

The Vocational Ag and FFA program at Wa-Hi enables students to investigate the various areas and opportunities available in an agricultural area such as ours.

Horticulture, Forestry, Animal Science and Agronomy allow students to study plant and soil science, the lumber industry and the care and management of animals. Agribusiness Occupations is designed to teach students how to apply for a job. Agricultural Mechanics and Welding presents the opportunity to become proficient in various areas of welding and machinery repair. FFA Leadership, an integral part of all vocational agricultural programs, is designed to build character and citizenship.

ART

Beginning Art classes range from figure drawing, painting, design, mobiles, pen and ink drawing, hand built pottery to some printmaking.

In arts and crafts, the students design decorative letters (or house numbers) in wood, macarame hangers, and will also build hand form pottery.

Advanced art students work on drawing and beginning painting on a more individual basis with acrylics.

FOREIGN LANGUAGE

The foreign language program, which offers German, French, Spanish, Latin and Russia, enables students to compare our culture with others, emphasizing the differences and similarities. Students learn to stand aside and look at themselves as others do. They learn the structure and vocabulary and apply them to reading, comprehension, writing and speaking.

SOCIAL STUDIES

The Social Studies Department at Wa-Hi is offering a variety of classes in order to give the students an opportunity to receive a well-rounded educational experience.

Sophomores entering Wa-Hi have the choice of entering the following classes: History of Western Civilization, Geography and World Affairs, Developmental Geography or Introduction to Human Behavior.

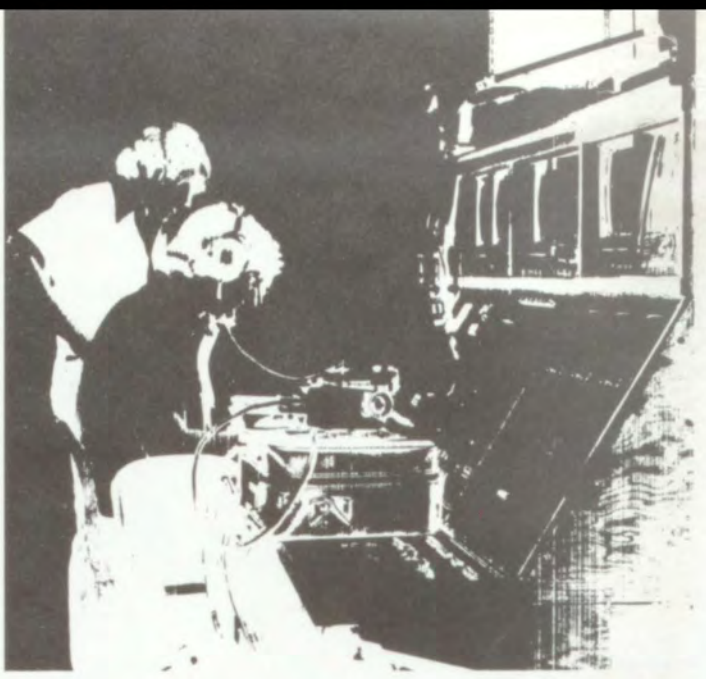

A junior usually is enrolled in a United States History and Government class, which is the only mandatory course in the Social Studies Department.

Seniors may enroll in any of the courses mentioned previously. In addition, there are the following courses which they can choose from: Sociology, Current Affairs, Psychology, Comprehensive Psychology, Seminar in Economic and Political Systems, (SEPS), and Northwest History. In some of these courses, juniors and seniors are intermingled.

It is the aim of the Social Studies staff to offer a broad enough spectrum of courses as to give each student a chance to fulfill his own needs.

INDUSTRIAL ARTS

Industrial Arts at Wa-Hi is open to all students. Three areas make up the Industrial Arts Program. These three areas, Woodworking, Drafting, and Closed Circuit Television offer the "Hands On" approach to the do it yourselfer, the pre-vocational or the student who is looking for a leisure time recreational activity.

Woodworking courses offer basic hand tool and machine tool processes as well as design and finish techniques that aid the student during construction of projects of their choice.

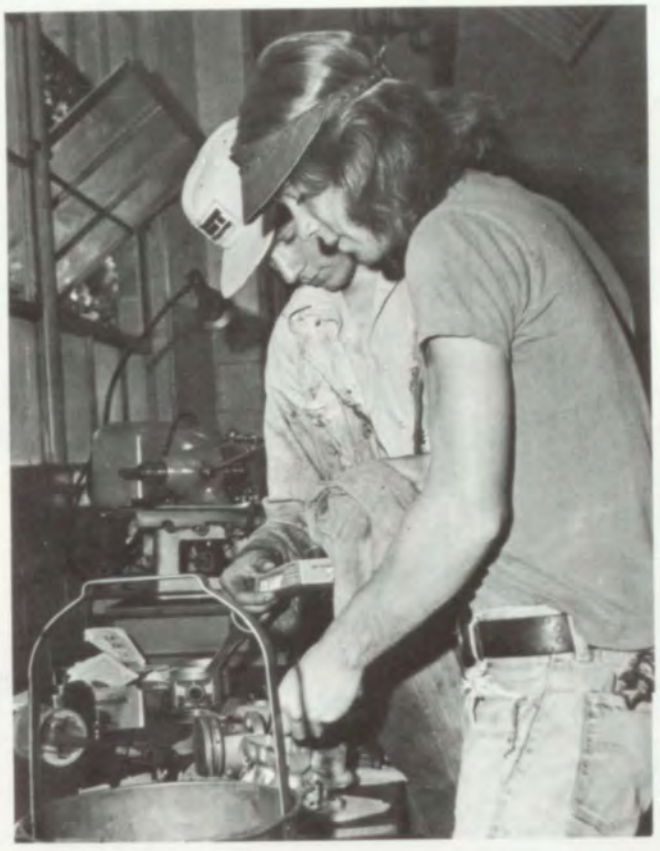

Drafting projects offer design, blue print reading, sketching, lettering, and scale drawings used as the language of the industrial world. Advanced drafting courses offer planning and designing of homes and grounds with emphasis on originality and creativity.

Closed Circuit Television offers the student the opportunity to operate all types of video taping machines and equipment. Students also operate the Wa-Hi closed circuit television system. This system consists of 70 outlets located throughout the campus which carry daily programming as requested by the teachers.

AUTO MECHANICS

The Wa-Hi Automotive Department now has three steps or areas. The first year is a one hour a day full-year program, designed to give all the auto-fundamentals with as much Bench work and testing as our facilities allow. The second and third years are spent in the shop and the time is used to learn the trade by actual working conditions.

The V.I.C.A. Club is incorporated with class and helps to further the leadership abilities of the students.

HOMECOMING

Wa-Hi started off Homecoming by watching Mr. Neher and Mr. Roberts get "creamed," a superstar contest of eating crackers, then a tricycle race at the crossroads. Greaser Day was Thursday with the stars running a marathon obstacle race. Evening activities included the annual serpentine and bonfire. The final day of Homecoming was filled with excitement. A noise parade during lunch, was followed after school by Tony Finstad jumping the raging Yellow Hawk on his roaring two wheeled machine.

The Devils then attempted to roar the Kennewick Lions right out of Borleske. Halftime was presented by the ROTC Dept., Flag swingers, and the Wa-Hi Band. Climaxing the Homecoming events on Saturday was the dance in the gym. Theme for this year was "Dancing in the Moonlight," with "Zachariah."

HOMECOMING ROYALTY

Standing: Tom Reser, Mike Duffy, King Dan Johnson, Mark Esary and Fred Prior. Seated: Cathy Jones, Cathy Schafer, Queen Pam Maiden and Penny Thomas.

SPORTS

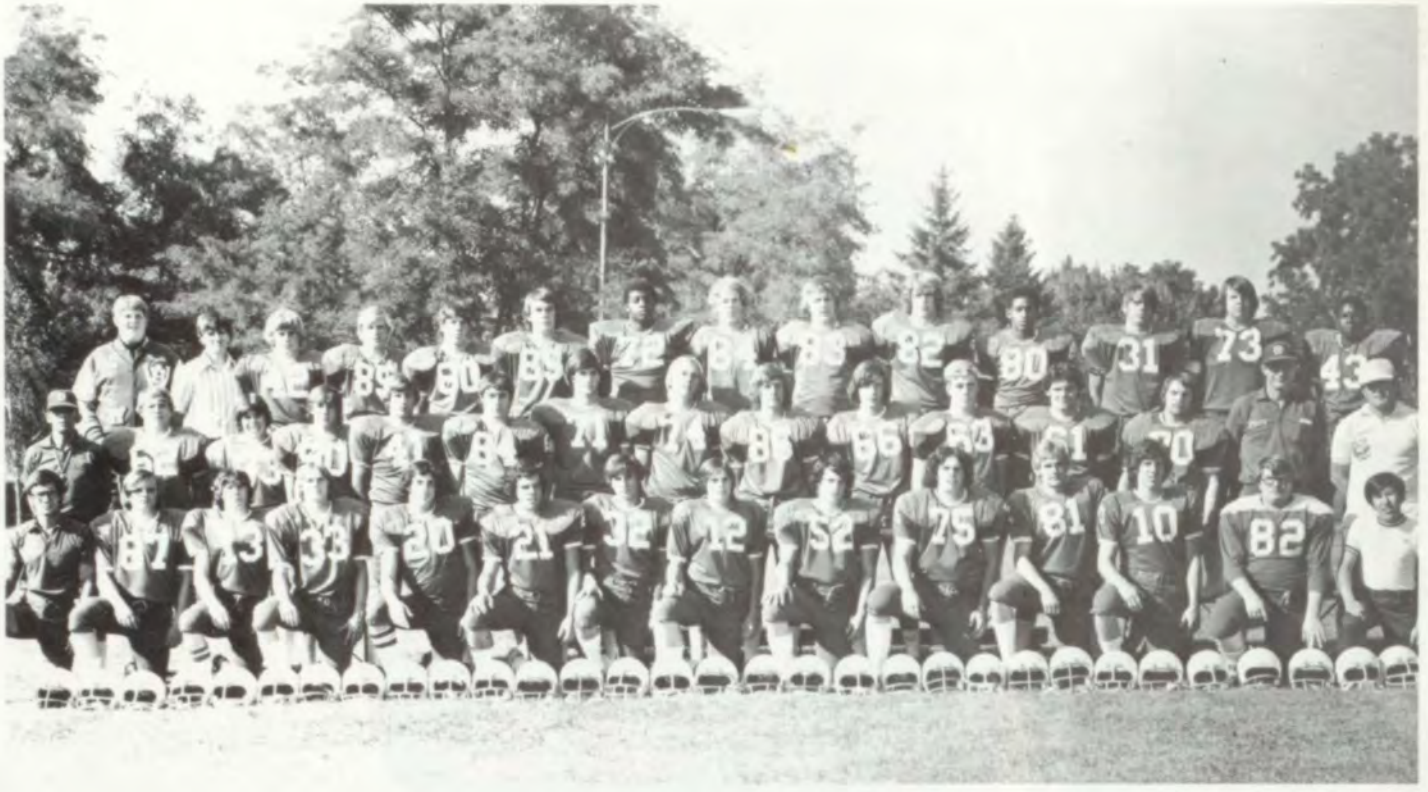

FOOTBALL: 1974

VARSITY FOOTBALL—FRONT ROW: Coach Al Sievertsen, Tom Benbrooks, Mike Cline, Doug Biddle, Dick Reser, Robin Houlton, Keith DeGrandmont, Mike Richmond, Tom Reser, Doug Newby, Mark Johnson, Mike Helfer, Bill Goddard and Richard Harai. ROW 2: Head Coach Skep Drew, Mark Christensen, Pat Burrows, Bill Tugmon, Gary Hanson, Tim Reardon, Tim Pavish, Dave Beebe, Mark Robinson, Mike Turley, Chuck Norton, Ray Tompkins, Robert Remus, Coach Bob Meyers, and Coach Don Wilkins. ROW 3: Jeff Shields, Guy Jessee, Steve Schalles, Dan Johnson, Larry Johnson, Dan Beebe, Fred Pryor, Jim Mason, Don Nelson, Brian Rehberg, Jul Winston, Murray Eggars, Frank Stewart and Charles Washington.

The 1974 addition of the Blue Devils was exciting, disappointing and unpredictable. The disappointing season record of three wins and six losses doesn't in any way measure the Blue Devils' performance. In the Eisenhower game, Wa-Hi was leading 15 to 12 with four minutes remaining. Yet incredibly on an intercepted pass and a defensive breakdown, we lost 33 to 15. We lost to Pasco, 0 - 7; Pasco's only score was a blocked punt. The Big Blue lost to Kennewick, 14 - 18, and were leading in the ballgame with a minute and 22 seconds to go. These three games are probably fairly typical of the Devil's misfortunes.

At the traditional Fall Sports Banquet, Fred Pryor was elected Honorary Captain by his team mates; Tom Reser won both Outstanding Lineman Award as well as the Most Inspirational Award; Frank Stewart was the recipient of the Chuck Anderson Memorial Award for his outstanding defensive achievements. Frank was also named All Conference First String Linebacker by the area sport writers.

While the 1974 Sophomore football team was short on numbers, they certainly made up the difference with their talent as evidenced by their undefeated season. Despite some adversities that only the members of the team and the coaches will remember, this team kept coming back. In other words, this team was made up of a bunch of winners.

CROSS COUNTRY—JUNIOR VARSITY—FRONT ROW: Marvin Lake, Ed Solbach and Dave Warren. ROW 2: Dan Chubb, Tristan Renz, Paul Myers, and Tom Page.

CROSS COUNTRY

Wa-Hi's Cross Country Team started the season with only two experienced runners and a lot of question marks. Jr. Tony Hammett and Soph. Dave Frank led the way as Jr. Todd Flanik, Sr. Rich Kenney, Soph. Jeff Ford, and Jr. Steve Gross followed in close pursuit to fill out a solid Top Six. The seventh varsity spot was shared by Soph. Dave Penrice, Soph. Dave Warren and Jr. Dan Reese. With the exception of Kenney, the entire team returns next year and should have a great shot at the district title.

Frank and Hammett both qualified for the state meet by finishing 8th and 9th respectively in the District Championships.

VARSITY BASKETBALL: Don Pelo, Kye Dawald, Murray Eggers, Jim Mason, Fred Breit, Tom Townsend, Fred Pryor, Jim Cox, Jule Winston, Jim Burt, Joe Sasser, Dan Reese. (Right) Varsity Basketball Head Coach, Bill Bieloh; Assistant Coaches, Bob Meyer and Don Wilkins.

BASKETBALL

1974-75 was a rebuilding year for Wa-Hi basketball. Eight seniors were lost to graduation including the complete starting five.

The Blue Devils managed only four league wins against twelve defeats and for the first time in several years they did not make it to the district tournament.

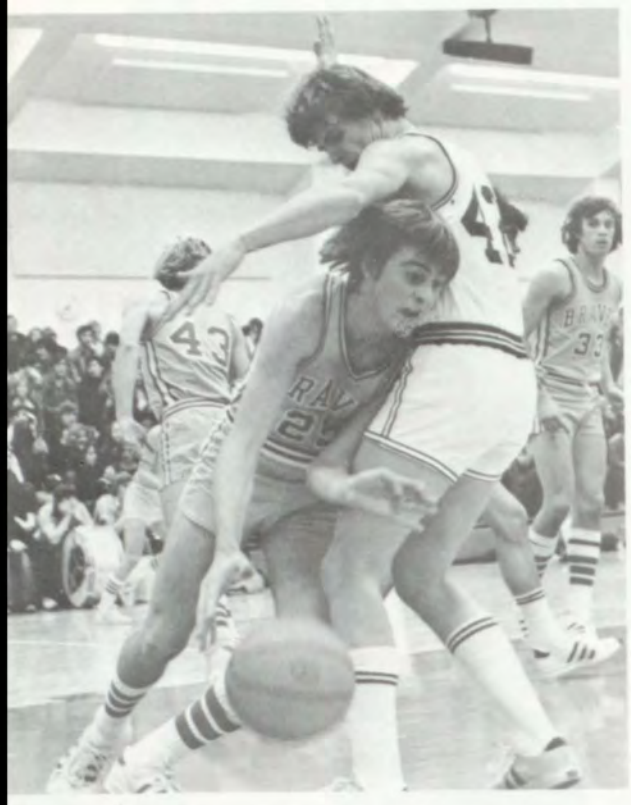

This was a great disappointment for the five graduating seniors. However, we must look forward to next season when we will be returning eight lettermen all with considerable game experience.

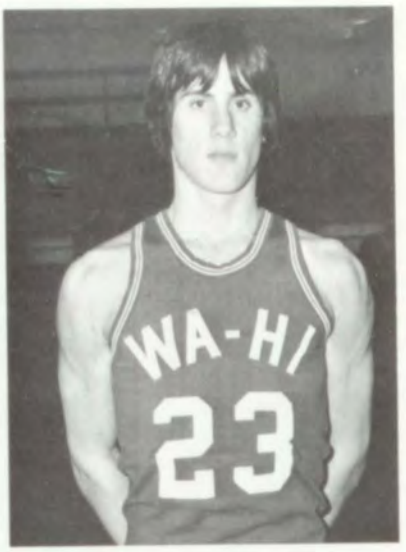

Our graduating seniors are Captain Kye Dawald, Inspiration award winner Jim Burt, Most Valuable Player Award winner Fred Breit, Fred Pryor, and Jim Cox.

BIG "9" TOURNAMENT 5th PLACE

The 1974-75 wrestling season was not, to say the least, a year for which the record speaks for itself. It was a fine season, a season in which many valuable lessons were learned in losing as well as winning.

There were ups and downs and mediocrities as there are in all seasons, but the ups were far more pronounced than either of the others.

We lose a fine group of seniors. They have competed well. Despite the loss of their bodies, however, they leave much behind in spirit.

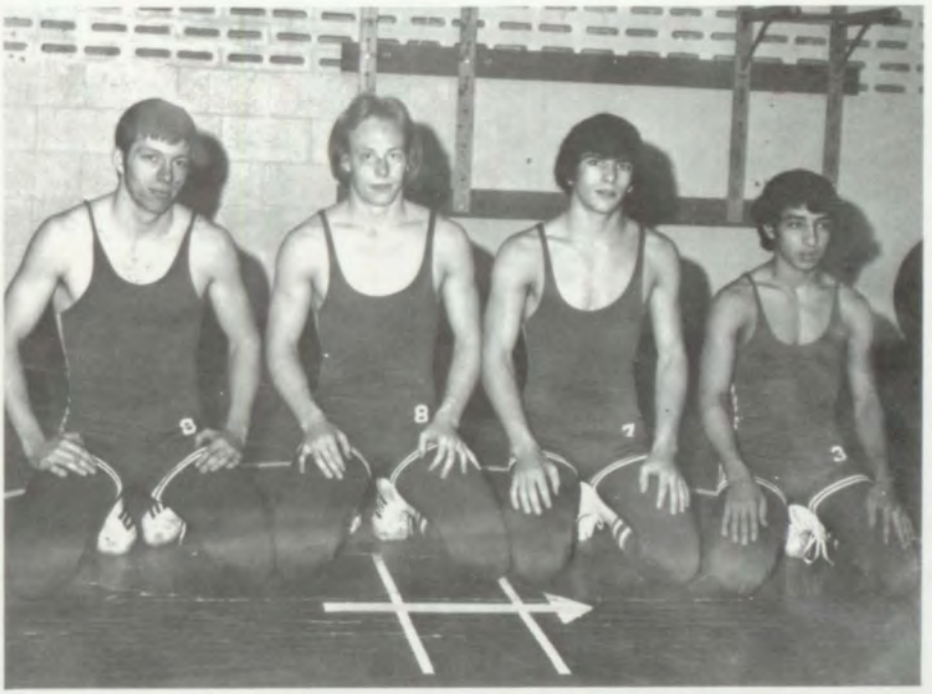

The dedication and courage which they have shown is a worthy challenge for upcoming classes to meet.

For our underclassmen, the challenge of putting a year's experience to good use is there. We will return fifteen varsity lettermen to the mats next year. The future is up to them. They can do as they want.

C Team—Front row: Shannon Hawn, Hoyce Goin. Row 2: Debbie Hamilton, Jill Watkins.

GIRLS' BASKETBALL 2ND AT STATE

The Wa-Hi girls' varsity basketball team had a tremendous season. The season started out slowly with some low scoring games but progressed into some real "rippers", 71-13, 72-35, and some real "squeakers", 34-33, 40-36. Wa-Hi defeated five undefeated teams on their way to State. Ellensburg was defeated 51-47 for the district crown, breaking a 14-0 record.

At Regionals, Wa-Hi snapped Othello's 17 game winning streak and Endicott's 18 game record.

At the State finals, after Battleground, it was Bellevue for the State title. Wa-Hi was defeated 47-45 but came out number "2" out of 291 high school girls' basketball teams in the State.

A Team—Front Row: Mary Doak, Debbie Chard, Allison Bingham, Miss Wirth, Lisa Greenville, Denise Haun
Row 2: Kari Bates, Karen Essery, Sue Benzel, Jane Emigh, Beth Woods, Martha Lehnen, Jeannie Eggert

B Team—Front Row: Mary Doaks, Janine Strickland, Denise Haun, Julie Schultz
Row 2: Miss Wirth, Linda Carle, Teresa Yeend, Joyce Goin, Melody Cline, Mrs. Young

Officers: Mike Snell, Jerry Gouge, Eric Ball, Scott Frakes.

The Walla Walla High School Pinochle Players Association, an in-school interest club, was founded in the Fall of 1974, to provide Pinochle Masters and novices alike with the Opportunity to play and enjoy America's 4th most popular card game. At the semi-monthly meetings, members and guests may play Pinochle for fun, or, as part of a two-man team, they may fight it out for their positions on the club ladder, and thereby, the right to represent the Association in tournaments with other local organizations.

Future projects under consideration are an all-school Pinochle tournament to determine Wa-Hi's best Pinochle players, which may be staged this Spring, or during the 75-76 school year.

People unversed in the fundamentals of the game can gain instruction through the Association, with the expert guidance of one of the master Pinochle players of the Association.

The club advisor, Mrs. Geidl, has aided the club in many projects, including a fund raising raffle where $150.00 was raised to finance various club activities and projects.

Membership is open to all Wa-Hi students with an A.S.B. card. 74-75 was a great year, but with the many projects planned for the future, 75-76 should be even better.

RALLY

RALLY OFFICERS: Mrs. Geidl, Advisor, Susan Morrison-Head of Cross Country, Cindy Robertson-Head of Football, Cathy Schafer-Head of Wrestling, Brenda Mork-President, Melinda Plummer-Head of Wrestling with Cathy Schaffer.

Gamma Sigma Chi OFFICERS: Cheryl Wilson, President; Karen Mercado, Vice President; Sharlene McCaw, Scribe, Kathy Buschini, Sec.; Bonnie Backous, Treasurer.

Gamma Sigma Chi is a girls club, that specializes in mixing community service with fun. We sponsor at least one frolic every year, and on Halloween we trick or treated for the March of Dimes. In the past we have helped Seguin school, and the Salvation Army. We also have raffles, a big candy sale each year, an annual Volleyball game with Tri-Hi-Y, and an annual Senior Picnic. This year we hope to take a camping trip to the mountains. We support WA-HI athletics also, by going to out of town games on Rooter Buses. Our goal as a club is to make people get involved in their community, even if it means just giving a little, to help others.

GAMMA SIGMA CHI

RODEO CLUB

FFA OFFICERS: Nancy Cress, Linda Ahrens. 2nd ROW: Teena Faris, Kathy Hassler. 3rd ROW: Don Snider, Karl Lindermann.

FFA

This was one of the Walla Walla chapter of the Future Farmers of America's most fantastic years. Our judging team placed at many of the judgings throughout the Northwest. Portland's judging of Beef Cattle went well for us; we brought home 9th place out of 89 teams. The livestock judging team also did extremely well.

Last June at the State Convention our chapter was very successful in bringing home high honors. All six of the chapter officers received the State Farmer Degree; Bill Fullen, Cindy Loiacano, Scott Summers, Craig Daniels, Teena Faris, and Karl Lindermann. Kathy Hassler won 1st in the State Record Keeping for 11th graders plus the overall Record Keeping for the State, and 2nd in the State Beef Production. Nancy Criss served on the Courtesy Core for our chapter.

In November we hosted the annual Leadership Conference, which five other chapters in the District attended. Again this year we had the winner of the Creed contest. Washington State Secretary, Randy Mullen and Sentinal, John Burnet were present, plus Mr. Ron Crawford a special guest who is one of the State advisors.

During the National Convention in Kansas City, Mo., Kathy Hassler and Nancy Criss had the opportunity to hear Pres. Ford in person. Also Earl Butz Secretary of Agriculture spoke to them on food prices.

Activities inside the chapter have kept members very busy.

Pam Maiden our FFA sweetheart has been very helpful to the chapter; she's always there ready to help when we need her.

As we complete this last page of our '75 ROYAL BLUE, we realize that without the help of many people it would not be the yearbook that we wish to present to Wa-Hi. We are indebted to the following people:

Dale Quincy, Pischel Representative

Margaret MacKay (Cover)

Walla Walla Union Bulletin

Lewis Studio

and to the administration, faculty and students of Wa-Hi for their patience and cooperation.

VARSITY BASEBALL '75

Mike Charlo

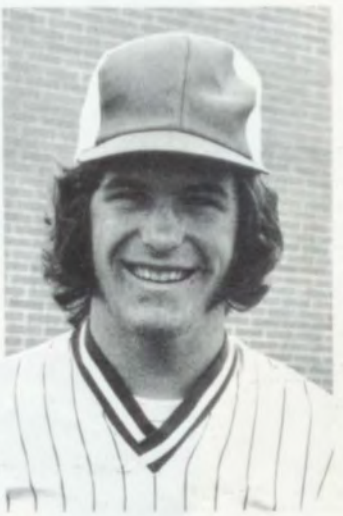

John Shearer

Tom Reser

Keith DeGrandmont

Mike Turley

Sonny Eggers.

Jim Burt

Frank Stewart

VARSITY BASEBALL: Front Row- Don Burt, Keith DeGrandmont, Tom Reser,Pat Witt, Mike Helfer, Chuck McNulty, Dudley Crump. Row 2- Sonny Eggers, Murray Eggers, John Shearer, Don Nelson, Frank Stewart, Mike Turley, Jim Burt, Gary Hansen, Mike Charlo.

Varsity Baseball SUMMARY:

This year's baseball team started the season without one experienced pitcher. Through lots of enthusiasm by the young players and the leadership of veterans like Tom Reser, Keith DeGrandmont, and Greg Baden, Wa-Hi stayed in contention for a state tournament berth until the final day of the season.

WaHi's inability to beat the lower division teams in The League was the only thing that kept the Blue Devils from making the trip to State.

The highlight of the season came when the Devils ended Richland's 21 game winning streak with a 10 inning 4 to 2 victory in Richland.

Lost to graduation are: Pitcher, John Shearer; Catchers, Greg Baden and Mike Charlo; Basemen, Frank Stewert, Jim Burt, Sonny Eggers, and outfielders Reser and DeGrandmont.

Sophomore Don Burt was voted the Most Valuable Player Award and won the Hitting Trophy with a .378 average. Sophomore Mike Helfer was given the outstanding Pitcher Award with a 6-1 record and a 2.64 E.R.A.

Tom Reser, Jim Burt, and Keith DeGrandmont were selected for the State Feeder game held in Walla Walla June 7.

GOLF

Varsity Golf: Doug Newby, Mike Cox, Don Pelo, Mark Robinson, Mr. Light, Mike Richmond, Dave Loudermilk, Dan Chubb.

Jr. Varsity: Pat Kenyon, Joe Towner, Rich Pelo, Mr. Light.

The Wa-Hi golf team finished eighth in the league winning four out of sixteen matches. Since only number one and two teams are eligible for the state tournament. Wa-Hi golfers did not qualify this year.

The Varsity team is made up of; (1) Doug Newby, (2) Mike Richmond, (3) Dave Loudermilk, (4) Mark Robison, (5) Mike Cox.

Jr. Varsity had a perfect season winning ten out of ten matches.

Senior Lettermen: Mike Richmond,
Mike Cox
Dave Loudermilk
Matt Sherry

Mr. Richard Cook, resigned his position at Wa-Hi this year to accept a position at WWCC as Co-ordinator of the Student Development Center. During his four years at Wa-Hi he has been a counselor and assistant principal for three years, as well as the head of the counseling department. Mr. Cook taught at Garrison for three years before he left for one year to complete his Masters Degree in Guidance and Counseling at the University of Wyoming. He then returned to Garrison for five years as a counselor before he came to Wa-Hi in the fall of '71. At Garrison he assisted with football and basketball and still coaches Little League during the Spring and Summer.

FOUR LEAVE WA-HI FOR NEW CHALLENGES

Mrs. Betty Peterson came to Wa-Hi seven years ago from Bremerton, Wash. She received her teaching credentials from the U. of Washington and has been in the Special Education Department as chairman here at Wa-Hi. She and her husband and family are moving to Tacoma where she hopes to receive a Special Education position in the Tacoma schools.

Mr. Lewis "Skip" Drew, counselor, mathematics teacher and head football coach for nine years, has taken the position of principal of a small school on the coast called Menlo Valley. Before coming to Wa-Hi, Mr. Drew taught and coached in Monroe. While here, he also coached junior varsity basketball and track.

Miss Sue Magnussen resigned her position in the Home and Family Department after three years to assume a new responsibility as a wife and maybe a teaching job in the Seattle area. She came to Wa-Hi from WSU and has taught Single Survival and been the advisor for FHA as well as having an outstanding homeroom this year.

RETIREES END 65 YEARS OF SERVICE TO WA-HI

Mr. Felix Fletcher, who came to Wa-Hi in 1947, is retiring after 28 years. His retirement concludes 30 years of teaching physical education and 26 years of coaching high school sports. As head football coach at Wa-Hi for 24 years and a record of 162 wins, 45 losses and no ties, the Blue Devils boasted three unbeaten and untied football teams (1951, 1956, 1963); as head track coach for 13 years, Wa-Hi compiled a state track championship in 1953 and Mr. Fletcher also coached junior varsity basketball for eleven years. A truly dedicated sportsman, he has served Wa-Hi and Walla Walla as the school's athletic director since 1956.

Mrs. Geraldine Whitney retired this year after twelve years at Wa-Hi and nineteen years in the Walla Walla schools. Mrs. Whitney was primarily responsible for the courses in Speech and Creative Writing in the English department. Many students have competed in various Speech contests at all levels under her direction. She also worked in the Drama department, as well as helping to co-ordinate the present English program here at Wa-Hi.

Mrs. Zelma Coyle retired this year after sixteen years of dedicated service at Wa-Hi. She began in 1959 after moving here from Enterprise Oregon. As a secretary and bookkeeper in the main office, Mrs. Coyle also supported the extra-curricular activities here at Wa-Hi. This year Mrs. Coyle received a "Secretary of the Year" award from the Walla Walla Chamber of Commerce. She is retiring to spend time with her husband traveling in their mobile home.

Mrs. Kathleen Bergevin is undertaking semi-retirement to do some traveling and fishing with her husband now that all her children have finished high school. Mrs. Bergevin has taught in the Home and Family Life Dept. for nine years and has also been head of the department. She is also responsible for heading the FEAST program and establishing its success on the Wa-Hi campus. Mrs. Bergevin plans to substitute in the District.

SADIE HAWKINS

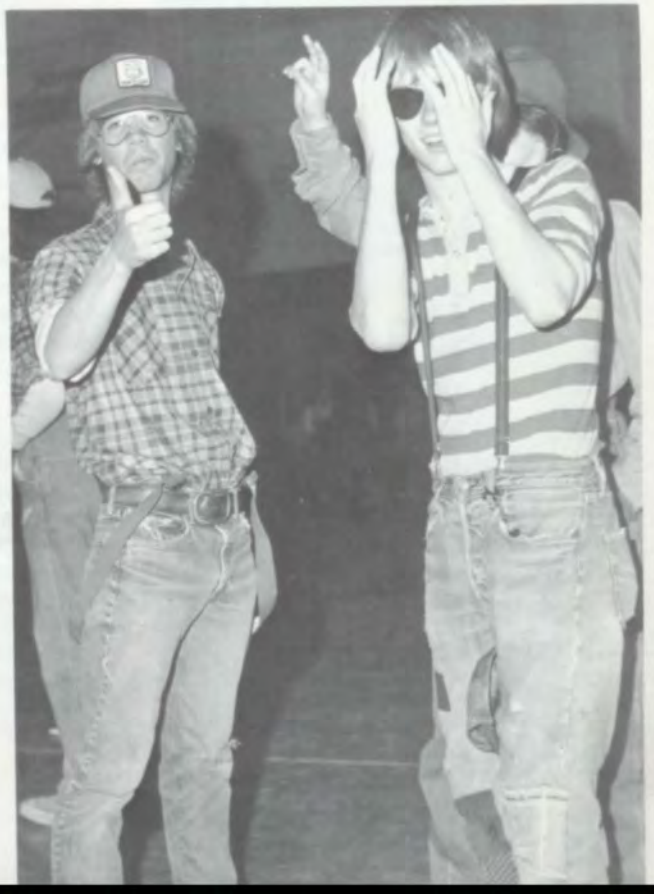

"Boogie in the Barnyard" was the theme of the Sadie Hawkins dance sponsored by Girls League. During the week there were such activities as a slave auction, a bubble gum blowing contest, a Miss Sadie contest, and a relay race between the teachers and students.

On Thursday night everyone dressed up in their grubbies, gathered in the Wa-Hi gym for a big boogie, were hitched by Mr. Maxson and Mr. McCorkle (Marryin Sams) and danced to the big sound of "Appoloosa".

"PHOTOGRAPHS AND MEMORIES", the theme of this year's Spring Prom, formerly known as the Junior, Senior Prom, was held at Wa-Hi on April 18.

The band, Ash Breeze, played very, very, soft rock and minimal country western, much to the crowd's relief.

The dance was held in the Commons from 8:30 to 11:30 with refreshments served in the Teacher's Dining Room and pictures were taken by Huie's.

This year's spring boogie was sponsored by the Sophomore, Junior, and Senior class officers, enabling all students to attend.

SPRING FORMAL

MILITARY REVIEW

REVIEWING OFFICER: COLONEL NELSON P. CONOVER, District Engineer, Walla Walla Dist. Corps of Engineers

OUTSTANDING REVIEW COMPANY: COMPANY H

The United States Army Reserve Officer Training Corps at Walla Walla High School celebrated its 56th Anniversary. On 2 March 1919, the Unit received its charter and formal recognition by the United States Army.

CADET BRIGADE
